## RECOGNITION OF THE SOVIET REGIME IN RUSSIA REPUGNANT TO UNITED STATES

Soviet Rules by Brutal Force.

Do Not Rule By Will of People. "That the present rulers of Russia de

set up a government representing their free will an dpurpose. When that time

comes the United States will consider

which can be taken to promote the res-

toration of Russia, provided Russia has not taken itself wholly out of the pale

f the friendly interest of other natio

Lack Hoper and Good Faith.

"It is not possible for the government

of the United States to recognize the present rulers of Russia as a govern-ment with which the relations common

friendly governments can be main-

ained. This conviction has nothing to to with any particular political or social

structure which the Russian people

themselves may see fit to embrace. It rests upon a wholly different set of facts.

hese facts, which none disputes have

convinced the government of the United States, against its will, that the existing

regime in Russia is based upon the ne-gation of every principle of honor and good faith, and every usage and con-

y the tillage and oppression of

plish this object, and it is

mistice can be confined.

Italy So Informed in a Note Outlining the United States Government's Position in the Russian-Polish Situation-Be lieves in a United, Free and Autonomous Polish State-15 Opposed to the Dismemberment of Russia by Division Into Nations-Realizes That For the Present Russia is in the Grip of a Non-Representative Government, Whose Only Sanction is Brutal Force-Not Possible to Recognize the Present Rulers in Russia, as They Do Not Rule by the Will of the People.

Washington, Aug. 10 - (By The A. P.) | menia, the government of the United

The American government's position on the Russian-Polish situation was outlined in the following note to the Italian mode without Russia's cooperation and agreement. Not only is Russia government, addressed to Baron Camillon ambassation and agreement. Not only is Russia concerned because a considerable part of lo Romano Avezzana, Italian ambassa-dor to the United States: "August 10, 1920.

The agreeable intimation, which you have conveyed to the state department that the Italian government would welcome a statement of the views of this government on the situation presented by the Russian advance into Poland, deserves a prompt response, and I will attempt without delay, a definition of this government's position not only as to the situation arising from Russian milisary pressure upon Poland, but also as to certain cognate and inseparable phases of the Russian question viewed more broadly.

Political Independence For Poland. This government believes in a united free and autonomous Polish state and the people of the United States are carrestly solicitous for the maintenance of Polish's political independence and territorial integrity. From this attitude we will not depart and the policy of this government will be directed to the employment of all available means to resployment of all available means to resployment of all available means to resploy the policy of the solicitor of the soviet resployment of all available means to resploy the policy of the solicitor of the soviet resployment of all available means to resploy the policy of the solicitor o povernment will be directed to tale employment of all available means to render it effective. The government, therefore, takes no exception to the effort apparently being made in some quarters to arrange an armistice between Poland and Itussia, but it would not, at least, Poland daries to which a discussion of an ar

and Hussia, but it would not at least for the present participate in any plan for the expansion of the armistice ne-pointions into a general European con-ference which would in all probability involve two results, from both of which this country strongly recoils, viz: the recognition of the holeseviki regime and of Russian problems almost

Desire to Help Russlau People. From the beginning of the Russian a popular election. At the momen counties, in March, 1917, to the pres-when the work of creating a popular

people of the United States have followed its development with friendly solicited and with profound sympathy for the efforts of the Russian people to resonstruct their national life upon the broad basis of popular self-government. The government of the United States, reflecting the spirit of its people has at The government of the United States, present the government of the States and times desired to help the Russian power.

"Without any desire to interfere in "Without any desire to interfere in the internal affairs of the Russian powers with Russia, and with other nations in ple, or to suggest what kind of government of the United States dose express the same that they will soon find a way to have been conceived and governed.

States was the first government to ackand to give recognition to the provisional rament of Russia. Almost imp ately thereafter it became necessary for the United States to enter the war against Germany and in that undertak-ing to become closely associated with the allied nations, including of course. tussia. The war-weariness of the masses of the Russian people was fully known to this government and sympathetically comprehended. Prudence, self-interest and loyalty to our associates made it desirable that we should give moral and material support to the pro-visional government, which was strug-gling to accomplish a two fold task, to on the war with vigor and at t same time, to reorganize the life of the nation and establish a stable governnext based on popular sovereignty.

Quite independent of these motive however, was the sincere friendship the government and the people of d States for the great Russian nation. The friendship manifested by Rus-nia toward this nation in a time of trial and distress has left with us an imper-ishable sense of gratitude. It was as a grateful friend that we sent to Russia an expert commission to aid in bringing about such a reorganization of the rall-road transportation system of the counry and whild re'invigorate the whole of its economic life and so add to the well being of the Russian people.

Confident of a United Russia. While deeply regretting the with-drawal of Russia fro mthe war at a gritical time, and the disastrous surren-voluntarily entered into, they base upon

ser at Brest Litovsk, the United States has fully understood that the people of Russia were in no wise responsible. The United States maintains unim-"The United States maintains unim-paired its faith in the Russian people, in their high character and their future. That they will overcome the existing an-sions the responsible spokesmen of this erchy, suffering and destitution we do not entertain the slightest doubt. The distressing character of Russia's transihas many historical parallels, and the United States is confident that re-stored, free and united Russia will again upon the occurrence of revolutions in all ake a leading place in the world, join-ng with the other free nations in up-olding peace and orderly justice.
